

ACKNOWLEDGEMENT

First of all, I wish to express my deep sense of appreciation and gratitude towards my mentor **Dr. Bindu Bhatt**, Professor, Department of Geography, Faculty of Science, The Maharaja Sayajirao University of Baroda for her valuable guidance and supervision in all the stage of this research work. She had taken keen interest to guide this work.

I am sincerely thankful to Prof. Jaysree De, Mr. Mandar Mehta and Shri. Shashikant Sharma (SAC Ahmadabad) for continuous motivation with their valuable suggestions.

I extend my sincere thanks to the official of the VUDA and VMC for providing data support and sparing time to enrich this study.

I express my sincere thanks to Mr. Shashikant Patel and Mr. Tushar Lohar for their tiredless help and co- operation during all stages of the work.

I am sincerely thankful to my Teachers who have provided valuable suggestion and kind co-operation, encouragement and support in completion of this work. It is worth to mention the support and motivation of the office staff of the Department of Geography, who had constantly supported for the completion of the work.

Last but not least, I would like to express my very special and sincere thanks to my Parents, Brother, Wife and my Son without their blessing, involvement, encouragement and unconditional support; it would not have been possible for carrying out this study.

Lastly the help provided by all my friends are commendable.
