

## ***LIST OF FIGURES***

| <b>FIGURE NO.</b> | <b>TITLE</b>                                 | <b>PAGE NO.</b> |
|-------------------|--|-----------------|
| 1.1               | Study Area                                   | 9               |
| 1.2               | Structure of the Primary Investigation       | 16              |
| 4.1               | Structure of the Indian Education            | 111             |
| 4.2               | Elusive Triangle of Education                | 128             |
| 4.3               | India: Effective Literacy (Schedule Caste)   | 134             |
| 4.4               | India: Effective Literacy (Schedule Tribe)   | 139             |
| 4.5               | India: Effective Literacy (Total)            | 159             |
| 4.6               | India: Effective Literacy (Rural)            | 161             |
| 4.7               | India: Effective Literacy (Urban)            | 162             |
| 4.8               | India: Effective Literacy (Male)             | 166             |
| 4.9               | India: Effective Literacy (Female)           | 167             |
| 4.10              | India: Literacy Disparity (Rural - Urban)    | 169             |
| 4.11              | India: Literacy Disparity (Male - Female)    | 174             |
| 4.12              | India: Education Development Index           | 180             |
| 5.1               | Gujarat: Effective Literacy (Schedule Caste) | 206             |
| 5.2               | Gujarat: Effective Literacy (Schedule Tribe) | 209             |
| 5.3               | Gujarat: Effective Literacy (Total)          | 222             |
| 5.4               | Gujarat: Effective Literacy (Urban)          | 224             |
| 5.5               | Gujarat: Effective Literacy (Rural)          | 225             |
| 5.6               | Gujarat: Effective Literacy (Male)           | 226             |
| 5.7               | Gujarat: Effective Literacy (Female)         | 227             |

| <b>FIGURE NO.</b> | <b>TITLE</b>  | <b>PAGE NO.</b> |
|-------------------|---|-----------------|
| 5.8               | Gujarat: Literacy Disparity (Rural - Urban)   | 232             |
| 5.9               | Gujarat: Literacy Disparity (Male - Female)   | 235             |
| 5.10              | Gujarat: Education Development Index  | 250             |
| 6.1               | Vadodara District: Effective Literacy (Schedule Caste)                                | 271             |
| 6.2               | Vadodara District: Effective Literacy (Schedule Tribe)                                | 272             |
| 6.3               | Vadodara District: Effective Literacy (Total)   | 276             |
| 6.4               | Vadodara District: Effective Literacy (Rural)   | 278             |
| 6.5               | Vadodara District: Effective Literacy (Urban)   | 280             |
| 6.6               | Vadodara District: Effective Literacy (Male)  | 282             |
| 6.7               | Vadodara District: Effective Literacy (Female)  | 283             |
| 6.8               | Vadodara District: Literacy Disparity (Rural - Urban)                                 | 286             |
| 6.9               | Vadodara District: Literacy Disparity (Male - Female)                                 | 287             |
| 6.10              | Vadodara District: Education Development Index  | 290             |
| 7.1               | Literacy - Gender Disparity Index in Sample Villages (2001 and 2011)                  | 311             |
| 7.2               | Educational Development Index of Sample Villages                                      | 311             |
| 7.3               | Share of Surveyed Households by Land Size Category in the Sample Villages             | 327             |
| 7.4               | Share of Type of Families by Land Size Category in the Sample Villages                | 327             |
| 7.5               | Religious Compositions of Households by Land Size Category in the Sample Village      | 329             |
| 7.6               | Social Compositions of Households by Land Size Category in the Non- Sample Village    | 329             |
| 7.7a              | Occupation-Wise Percentage of Persons by Land Size Category in the Tribal Villages    | 334             |
| 7.7b              | Occupation-Wise Percentage of Persons by Land Size Category in the Non-Tribal Village | 334             |
| 7.8a              | Per Household Number of Material Assets by Land Size Category in the Tribal Villages  | 339             |

| <b>FIGURE NO.</b> | <b>TITLE</b>   | <b>PAGE NO.</b> |
|-------------------|--|-----------------|
| 7.8b              | Per Household Number of Material Assets by Land Size Category in the Non-Tribal Villages                               | 339             |
| 7.9a              | Level of Education by Land Size Category in the Tribal Villages  | 345             |
| 7.9b              | Level of Education by Land Size Category in the Non-Tribal Villages  | 345             |
| 7.10              | Poverty Level by Land Size Category in the Sample Villages   | 348             |
| 7.11              | Dropouts by Land Size Category in the Sample Villages  | 348             |
| 7.12a             | Reasons of Dropouts by Land Size Category in the Tribal Villages   | 349             |
| 7.12b             | Reasons of Dropouts by Land Size Category in the Non-Tribal Villages   | 349             |
| 7.13a             | Awareness about Educational Programmes by Land Size Category in the Tribal Villages                                    | 353             |
| 7.13b             | Awareness about Educational Programmes by Land Size Category in the Non-Tribal Villages                                | 353             |
| 7.14a             | Perceived Utility of Education by Land Size Category in the Tribal Villages  | 356             |
| 7.14b             | Perceived Utility of Education by Land Size Category in the Non-Tribal Villages  | 356             |
| 7.15a             | Reasons for Attending School by Land Size Category in the Tribal Villages  | 359             |
| 7.15b             | Reasons for Attending School by Land Size Category in the Non-Tribal Villages  | 359             |
| 7.16a             | Reasons for Abstaining from School by Land Size Category in the Tribal Villages  | 360             |
| 7.16b             | Reasons for Abstaining from School by Land Size Category in the Non-Tribal Villages                                    | 360             |
| 7.17a             | Problems in Sending to School in the Tribal Villages   | 362             |
| 7.17b             | Problems in Sending to School in the Non-Tribal Villages   | 362             |
| 7.18a             | Reasons for not Consulting Teacher by Land Size Category in the Tribal Village   | 365             |
| 7.18b             | Reasons for not Consulting Teacher by Land Size Category in the Non-Non-Tribal Village                                 | 365             |
| 7.19a             | Study Related Problems Faced by Children by Land Size Category in the Sample Villages                                  | 368             |
| 7.19b             | Study Related Problems Faced by Children by Land Size Category in the Sample Villages                                  | 368             |
| 7.20              | Perception on Participation of Children in Social and Economic Activities by Land Size Category in the Sample Villages | 372             |

| <b>FIGURE NO.</b> | <b>TITLE</b>  | <b>PAGE NO.</b> |
|-------------------|---|-----------------|
| 7.21              | Threat of Education by Land Size Category in the Sample Villages  | 372             |
| 7.22a             | Acquiring and Transmitting Modern Knowledge and Skills by Land Size Categories in the Tribal Villages     | 374             |
| 7.22b             | Acquiring and Transmitting Modern Knowledge and Skills by Land Size Categories in the Non-Tribal Villages | 374             |
| 7.23a             | Causes of Low Educational Attainment by Land Size Categories in the Tribal Villages                       | 378             |
| 7.23b             | Causes of Low Educational Attainment by Land Size Categories in the Non-Tribal Villages                   | 378             |
| 7.24a             | Worthiness of Education by Land Size categories in the Tribal Villages                                    | 380             |
| 7.24b             | Worthiness of Education by Land Size categories in the Non-Tribal Villages                                | 380             |
